ESAD - Caldas da Rainha,
Leiria, Portugal

Web Development Bootcamp
THE CODERS GUILD
2021

SKILLS

- CSS3
- HTML5
- Prototype creation
- Wireframe mockups
- Figma
- UX/UI
- Pattern design
- Adobe cc

I'm a **Junior Designer** passionate about **web development and design**. I have a Bachelor's in **Graphic and Multimedia Design** and was always most interested in designing for the web.

I'm knowledgeable about **UI and UX** design and thought it would be a great asset to learn how to code, so I started learning web development by enrolling into the Coders Guild Bootcamp. **Problem-solving** has always been a great motivator and lucky me there are plenty of problems to solve while designing and coding websites.

I've always been enthusiastic about teaching myself new skills and I'm looking for opportunities that enable me to further expand my knowledge in web design in order to cultivate a strong career.
